### Six Elements in the Ideological-Political Construction

**Abstract:** This paper consists of two parts. The first part outlines the six ideological-political construction of foreign language courses, which are the six construction process: (1) Why, (2) What, (3) Who, (4) When, (5) Where, and (6) How. There are inseparable links between these elements. As to the “why”, the “who” the “when” questions, there are already clear answers. However, the two other questions are in need of exploration and need further studies. The second part is to provide some preliminary design of this special issue entitled “Ideological-Political Construction of Foreign Language Courses”.

**Keywords:** ideological-political construction of foreign language courses; elements; special issue
